creating ambience

- For more than two decades, **Hanswork** has been involved with our valued clients in creating interior ambiances that has helped our clients project their corporate image as well as enhancing their brands and customers services.
- Over the years, **Hanswork** has carved for itself a niche market in the **automotive** sales and service facility design and fit-out sector, **fast food** and **corporate offices**.
- It started with creating the new interior ambience for **UMW Toyota** Sales and Service Facilities in 1991, which were subsequently implemented nationwide to all UMW Toyota branches.
- The new interior ambience was later implemented in all **Toyota Dealers Facilities in 2005**, culminating in the completion of the **RM35 million Toyota Body and Paint and Service Hub at Balakong for Wing Hin Automobile Sdn Bhd in 2009**.
- In 2008 we were also engaged to do a **rebranding exercise for A&W Restaurants** nationwide and over the course of three years, over **40 outlets were rebranded**.
- In 2016, we were tasked with the responsibility to **revamp the exterior and interior corporate identity of the showroom and service facilities for Proton**. The new corporate identity is now being implemented nationwide.
- Today our contribution in creating the desired ambience and brand image for the automotive showrooms and service facilities has been recognized and we have secured new automotive clienteles like **Isuzu Motors, Mitsubishi Motors, Volkswagen, Volvo, Daihatsu, Perodua and Proton**.
